

An aerial, high-angle view of a dense, stylized cityscape. The buildings are rendered in a variety of colors, including shades of blue, yellow, orange, and grey, with some showing signs of wear and rust. A prominent feature is a long, elevated railway track or bridge structure that runs diagonally across the upper portion of the image. The architecture is a mix of modern and traditional styles, with some buildings featuring flat roofs and others with more complex, tiered structures. There are scattered green trees and small courtyards interspersed among the buildings. The overall aesthetic is that of a detailed, hand-drawn or digitally rendered urban environment.
